

# Life in Roman Britain

## Session Outline

This session explores the changes in Britain after the Romans arrived:

- Look at evidence what Roman life was like in Britain.
- Make and decorate a Roman clay replica of a Roman coin.

### Activity 1: Gallery Hunt

Children will search the gallery for objects that broaden their understanding what life was like in Roman Britain.

### Activity 2: Mystery Object Handling

Children will handle Roman objects and use their detective skills to discover more of the things that the Romans introduced to Britain.

### Activity 3: Roman Games

Children will investigate Roman games and test their skills by playing these games together.

### Activity 4: Craft activity

Children will make a larger replica of a Roman coin, based on the coin designs they have been exploring.
