

Stone Age to Iron Age – British Prehistory

Session Outline

This session explores the changes in Britain between the Stone Age, Bronze Age and Iron Age. Children will:

- Look at and compare evidence from each time period.
- Experience a craft from one of three time periods.

Activity 1: Gallery Hunt

Children will search the gallery for objects from each of the three time periods to build their understanding of the differences between the three ages.

Activity 2: Mystery Object Handling

Children will handle objects from Stone Age, Bronze Age and Iron Age times to discover more about life in Prehistoric Britain.

Activity 3: Game – Guess the Mystery Person

Children will look at a series of object clues and have to match the set of belongings to the mystery person.

Activity 4: Ancient Craft - Pottery

Children will create a Neolithic clay pot and decorate it with a geometric design.
